## Meticulously Crafted Linens

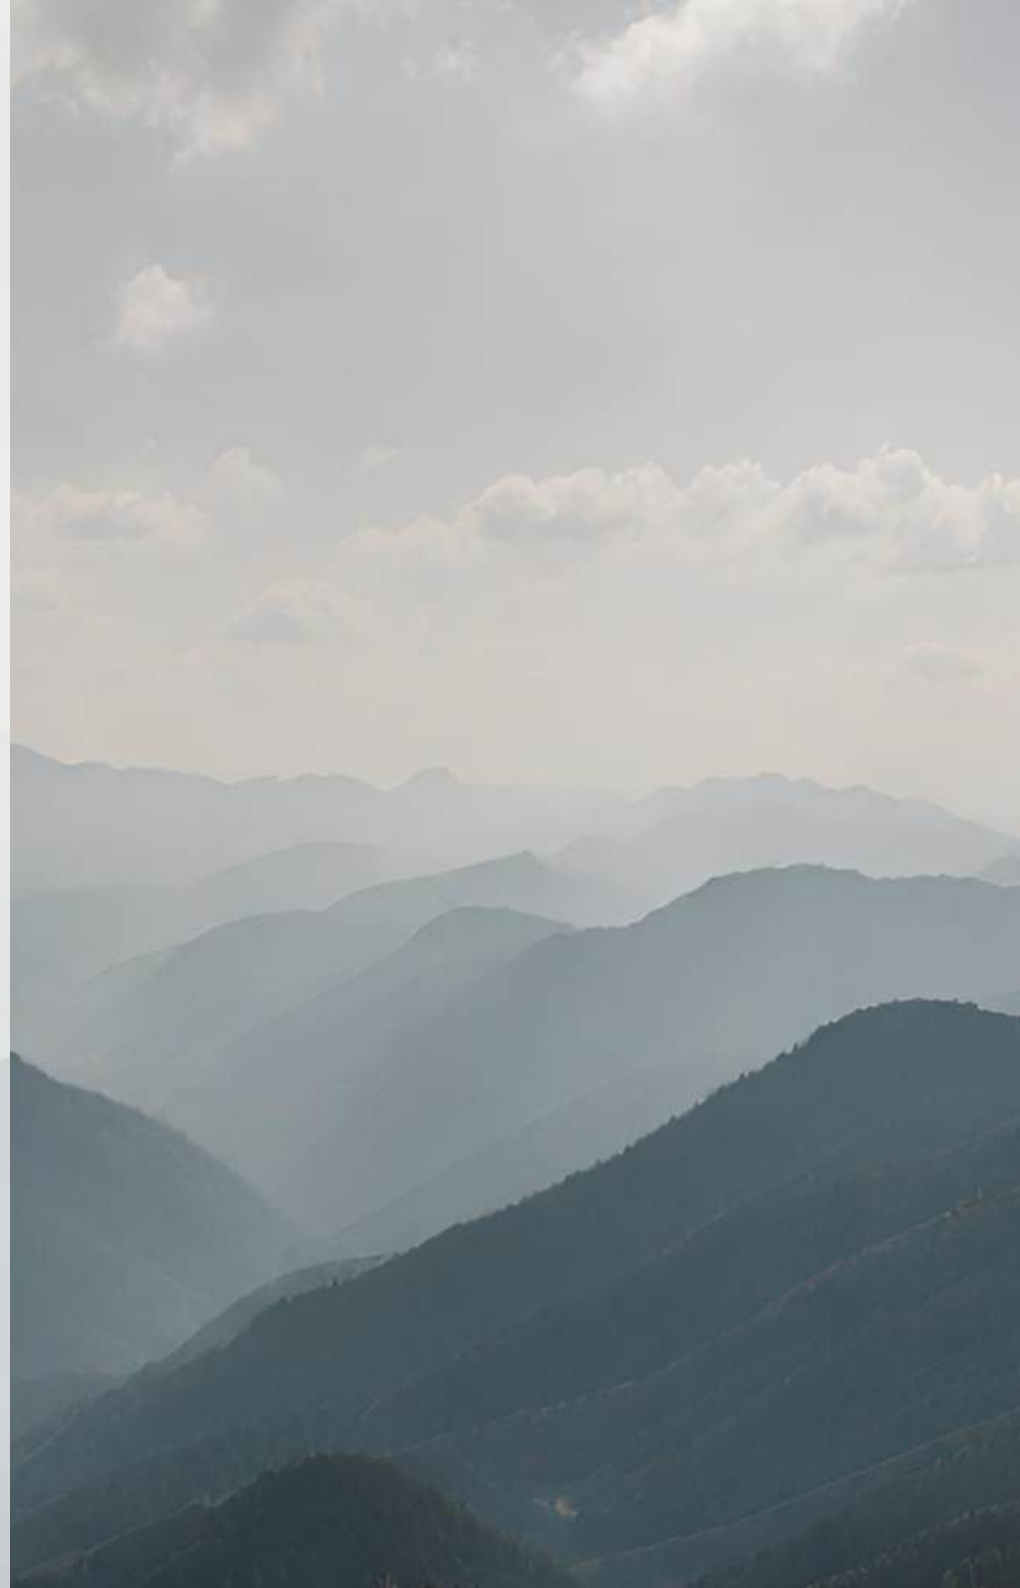

Step into a world of linens like no other, where vibrant trims and bold pops of colour bring your spaces to life.

Choose your favourite colour of sheeting along with thread count (percale and sateen cotton, pure linen and organic cotton). Thread counts range from 200TC - 1000TC. Combine your sheeting with embroidery - corded stitch, scallop, ferns, feathers, dragonflies and many more.

Why not send us your own design and we can make something truly unique for you.

The possibilities are endless.

## Forest Fern

Our Forest Fern embroidery design is from our botanical range. Common symbolisms of ferns include new beginnings, protection, sincerity and timelessness. These make the fern a perfect emblem of natural beauty and resilience, a true reflection of our linens.

## Feather Drift

Our feather inspired design brings an airy touch of luxury to your bedroom. Designed for those who appreciate softness and sophistication. The delicate embroidery detail combined with the cloud-like cotton, is perfect for restful nights and refined style.

## Bespoke Embroidery

Choose from our collection of designs or let your imagination lead the way by creating something truly bespoke to you. Simply send us your ideas, wallpaper or fabric samples, and we'll craft linens that perfectly complement your style.
